Products Affected	
Product Series	Datasheet Link
SPX-BL24-SP	Not Applicable – Mounting Option Only
SPZ-BL24-SP	Not Applicable – Mounting Option Only
SPI-BL24-SP	Not Applicable – Mounting Option Only

Change Detail	
Description of Change	Raytec are announcing the End of Life of the spigot mount version of the BL24. A full list of EOL parts can be found in appendix 1.
Reason for Change	Product line rationalisation. Declining sales combined with worn tooling means this product is no longer economically viable for manufacture.
Implementation Plan	Any open orders of the affected parts will be honored however parts are end of life with immediate affect and no last time buy is available. Affected products will be removed from the pricelist at next release
Recommendations	Please speak to your local Raytec Representative to discuss alternative options from our linear (WL84) and Conveyor (CL12) range.

Approvals				
	Name	Signed	Title	Date
Issued by	David Peters		Product Line Manager	30 th March 2023
Approved by	Sarah Shires		Sales Manager	30 th March 2023

Appendix 1: List of EOL Part Numbers
