Change Detail	
Description of Change	Datasheet correction / Specification update The 3080 & 8030 optic has been removed as an option for the SPARTAN Zone 1/21 Linear and Linear High Output. Affected products listed above.
Reason for Change	The use of a 3080 or 8030 optic would mean the product would not be suitable for a zone 1/21 area.
Implementation Plan	Change is with immediate effect. SPARTAN Zone 2/22 & WARRIOR Heavy Industrial are not affected by the change
Recommendations	Please speak to your local Raytec Representative to discuss alternative options
