Products Affected	
Product Series	Datasheet Link
UBPL – Urban Plus	URBAN Plus Datasheet

Change Detail	
Description of Change	Raytec are announcing that the URBAN Plus range will be discontinued, affecting all part numbers configurable from the above datasheet.
Reason for Change	URBAN Plus products are being discontinued due to limited market demand and increasing manufacturing costs.
Implementation Plan	As well as fulfilling any open orders for affected part numbers, Raytec will continue to accept orders until existing stock is depleted. Please note that availability is limited, and orders will be fulfilled on a first-come, first-served basis.
Recommendations	Raytec continue to offer a range of pole-mounted multi-purpose LED luminaires as part of the URBAN lighting range, with products designed for applications such as roads, pedestrian routes, recreational and other outdoor lighting uses. Please visit the Raytec website or contact your Raytec representative to discuss further.
